"Dear friends! Thank you for your interest to our Institute.

Today Vyborg Institute continues  
the 20-year work of its predecessor  
- Vyborg teacher's training college.  
While treasuring the best traditions  
of the past we introduce innovations  
and experience now great extension  
of our horizons.

Working in Leningrad region  
- a lively developing area  
- we set as our goal providing  
different groups of population  
with a high-quality educational services.

That's why we offer a wide range of faculties, within a continuing  
educational system - education on different stages  
("school-college", "college-university", "further professional training").  
Our graduates are in high demand in their fields both in the region  
and all over the country.

We are also aware of the internationalization needs and our Institute  
has increased opportunities for this.

We are open and eager for cooperation on different levels  
and in various forms.

You are welcome to our Institute!"
